

FRUIT PIE FACT SHEET

Ingredients

Fruit, Sugar, Flour, Salt, Butter, Shortening

Storing Instructions:

Place plastic cover over pie when it is completely cooled. It is recommended that Pecan and Pumpkin pies be refrigerated within 2 hours of delivery or pickup. All pie varieties will remain fresh for 2-4 days if they are refrigerated. Fruit Pies will remain fresh for 1-2 days unrefrigerated.

OVEN Baking instructions:

Preheat oven to 350°. Remove plastic cover from refrigerated pie and cover with foil. Place covered pie in hot oven for 25-30 minutes (5 minutes less if pie is room temperature).
